

Cherrybrook SSP

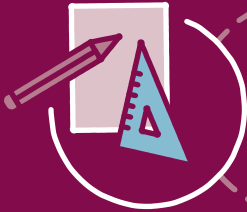

Rezoning proposal consultation pathway

WE ARE HERE

Shaping a shared vision

- Aim**
- Capture perceptions of Cherrybrook as it is now, and how it could be in the future
- How**
- Meetings with community group representatives
 - Telephone survey with residents in Cherrybrook
 - Online survey

Where does this information go?

Feedback shared with the design team.

- What info**
- Community group representative meetings
 - Telephone surveys

Refining a concept design

- Aim**
- Provide information about how community and other stakeholder feedback and findings from technical studies have shaped a draft concept plan have informed the concept plan.
 - Explain and seek feedback on the design guidelines informing the concept plan.
 - Seek feedback on the concept plan
- How**
- Download a coffee table conversation booklet and get together, online or in-person, with friends and family to share your thoughts.
 - Make a submission via our website or send feedback via email or post

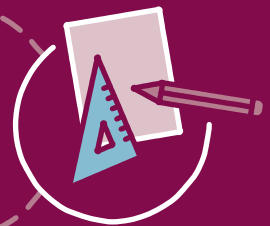

Community Incubator

A recruited group of Cherrybrook community members will meet online to review and discuss community feedback and opportunities and constraints to refine the concept plan.

Where does this information go?

Feedback given to the design team.

- What info**
- Community incubator
 - Coffee table conversation booklets
 - Online survey

Close the loop

We will report back to everyone who participated in the consultation letting them know:

- what we did
- who participated
- what we heard
- how we have considered the feedback

Submission of rezoning proposal

A rezoning proposal will then sent to Department of Planning, Industry and Environment who will place it on public exhibition. Community can make submissions about the proposal during the exhibition.

Continued community consultation on the future stages of the Cherrybrook SSP
